Winter Holidays Homework (2019-20) Grade- LKG

Dear Parents,

Winter Vacation is the time for the children to enjoy and relax. These days are precious. We should always remind ourselves that children will not remember us for the gifts we shower upon them but will always cherish the time we spent with them. It's time to nurture young minds, inculcate moral values and narrate family anecdotes to keep them in touch with their roots.

A few vital suggestions are listed below to make the vacations more exciting and fruitful than ever before:

- ❖ Encourage your child to take up yoga or any other form of healthy activity during the vacation inside the warmth of their own rooms.**
- ❖ Involve children in household chores, no matter how small it is.**
- ❖ Create a winter diary – Encourage your child to keep a winter diary, to paste photographs of special days and write about them.**
- ❖ Enjoy walking with them in parks and share your experiences with them.**
- ❖ Encourage your child to speak in English. Fix atleast half an hour in a day when you communicate with your child only in English.**
- ❖ Let your child colour, draw, paint, play etc. Restrict his or her television watching, confining it to interesting children programs, cartoon films, Discovery channel etc.**

Have a nice time!
