

Dear Parents,

To facilitate better communication between Parents and Teachers, DAV Police Public School is glad to introduce TENO FREE mobile app. All school and class related communication will now be sent through TENO. Download the app at the earliest to avoid missing any communication.

How to install TENO

1. Download TENO by going to the Play store for Android (Samsung, RedMi, Lenovo, VIVO...etc) or App store for iOS (iPhone)
 2. After you open the app, click on "Get started" button. Enter your mobile number. Enter Verification code.
 3. Enter **School code: om317** , and add your personal details (your name and your child name)
 4. Choose groups as per your child's class. TENO is ready to use.
